AAKHIR HUA KYA? — POORA MAMLA SAMJHEIN

3 May 2026 ko poore India mein NEET UG 2026 ka exam hua. 22 lakh 79 hazar se zyada students ne yeh exam diya — desh ka sabse bada medical entrance test. Exam ke baad NTA ne 6 May ko provisional answer key bhi jari kar di — iske pehle itni jaldi answer key kabhi nahi aai thi.

Lekin usi waqt, Rajasthan mein kuch aur hi ho raha tha. Rajasthan Special Operations Group (SOG) ko ek 410 sawalo ka "guess paper" mila jisme se karib 140 sawaal NEET 2026 ke actual paper se bilkul milte the. Biology ke 90 aur Chemistry ke 30 se zyada sawaal ek jaise nikalein. SOG ne turant jaanch shuru ki.

Mamla central agencies tak pahuncha. 8 May 2026 ko NTA ne khud central agencies ko jaanch saunpi. 12 May 2026 ko NTA ne official notice jari kiya — NEET UG 2026 ka exam cancel kiya jaata hai. Yeh pehli baar hua hai NTA ke 7 saal ke itihaas mein ki poore NEET UG exam ko cancel karke dobara karwana pada.

PAPER LEAK KAISE HUA — PURI KAHANI

Jaanch mein jo saamne aaya woh ek organized network ki kahani hai — coaching hubs, middlemen aur paise ke laalach ki.

Sikar, Rajasthan — jo ki India ka ek bada coaching hub maana jaata hai — wahan se yeh network operate kar raha tha. Ek "guess paper" prepare kiya gaya jisme actual NEET paper ke sawaal shamil the. Yeh material exam se lagbhag ek mahina pehle se distribute hona shuru ho gaya tha — coaching networks ke zariye, encrypted messenger apps ke through, aur trusted contacts ki chain ke saath.

Investigators ka maanna hai ki leaked material ko Sikar ke coaching networks ke through distribute kiya gaya, aur exam se ghanton pehle tak ₹7.3 lakh tak mein becha gaya. Yeh ek do log ki baat nahi thi — ek poora racket tha jisme Rajasthan, Bihar, aur Maharashtra ke logon ka haath tha.

Rajasthan SOG ke officials ke anusaar, kai logon ne yeh "guess papers" paison ke badle bache, aur un papers ke kai sawaal actual NEET paper mein aaye.

Maharashtra ke Latur aur Nashik mein bhi connections nikalein jahan 45 logon ko pakda gaya. Nashik ka ek suspect, Shubham Khairnar, ne allegedly leaked paper ₹10 lakh mein kharida aur ₹15 lakh mein Haryana mein bech diya — encrypted messaging app ke zariye.

KAUN PAKDA GAYA — MASTERMIND AUR NETWORK

Rajasthan SOG ne is case mein sabse pehle action liya. Jaanch teji se faili aur teen rajyon mein raids hui.

* Manish Yadav — alleged mastermind, Jaipur se pakda gaya. SOG ka maanna hai ki woh leaked material ki distribution coordinate kar raha tha.

* Rakesh Mandavriya (Rakesh Kumar) — Sikar ka career counsellor, Dehradun se giraftaar. Iske saath 4 NEET aspirants bhi pakde gaye.

* Shubham Khairnar — Nashik, Maharashtra. Leaked paper kharida aur resell kiya.

* Sikar aur aas-paas ke ilaakon mein SOG ne hundreds of logon se poochhtaach ki.

CBI ki team Jaipur pahunchi aur SOG ke pakde logon se interrogation ki. Ab yeh case CBI ke haath mein hai — Government of India ne official order diya hai ki CBI पूरी जांच करेगी.

NTA NE EXAM CANCEL KYUN KIYA

NTA ने 12 May 2026 को जारी अपने official notice में clearly कहा: "The decision was taken with the approval of the Government of India to maintain transparency, fairness, and credibility in the national examination system."

Seedha matlab — जब जांच में यह clear हो गया कि leaked material actual paper से match करता है, tab system की fairness guarantee नहीं की जा सकती थी. अगर exam को valid रखते, तो उन students के साथ नकिंसाफ़ी होती जिन्होंने बिना किसी cheating के, सिर्फ अपनी मेहनत से exam दिया.

Yeh decision controversial zaroor hai — 22 lakh से zyada students की एक पूरी साल की मेहनत अब फिर से exam देने पर आके टिक गयी. लेकिन cheating के system को validate करना इसे भी बड़ा नुकसान होता. Education Minister Dharmendra Pradhan ने media के सवालों का जवाब देने से इनकार कर दिया, जो अपने आप में काफी कुछ केहता है.

RE-EXAM KE BAARE MEIN NTA KI OFFICIAL INSTRUCTIONS

अगर आप या आपका baccha NEET UG 2026 में था, तो यह section सबसे zaroori है. NTA ने अभी तक जो confirmed किया है, वो यह है:

≡ FRESH REGISTRATION KI ZAROORAT NAHI

NTA ne officially confirm kiya hai ki koi fresh registration nahi hogi. Jo details, candidature aur exam centre May 2026 cycle mein submit kiye the, woh sabhi re-exam ke liye valid rahenge. Koi naya form nahi bharna hai.

≡ FEES REFUND HOGI

Jo exam fee candidates ne cancelled exam ke liye pay ki thi, woh refund ki jaayegi. NTA ne abhi refund ka exact process aur timeline announce nahi kiya hai — details aane wale dinon mein jari hongi. Kisi bhi third party ya coaching institute ko re-registration ke naam par paisa mat dein — yeh poori tarah free aur official process hai.

≡ NAYA ADMIT CARD AAYEGA

Purana admit card ab valid nahi hai. Re-exam ke liye NTA fresh admit cards jari karega. Naya admit card official NTA NEET website — neet.nta.nic.in — se download karna hoga. Admit card mein exam date, time, reporting time, centre aur guidelines hoge.

≡ SYLLABUS AUR EXAM PATTERN SAME RAHEGA

Re-exam ka syllabus bilkul wahi rahega jo originally announce kiya gaya tha. Exam pattern mein bhi koi change expected nahi hai — subjects, marking scheme, duration aur questions sab same honge. Haan, security measures zyada strict ho sakte hain — tighter

frisking, biometric verification, aur surveillance.

≡ RE-EXAM KI DATE ABHI ANNOUNCE NAHI HUI

Official re-exam schedule abhi NTA ki taraf se pending hai. Experts June ya July 2026 mein re-exam expect kar rahe hain. Students ko NTA se 40 se 45 din ki preparation window milne ki umeed hai. Dates ke liye sirf neet.nta.nic.in aur nta.ac.in check karein — social media rumors par bilkul trust mat karein.

≡ MAY 3 KA ANSWER KEY AUR OMR SHEET?

3 May ke exam ka provisional answer key void ho chuka hai. OMR sheet bhi release nahi hogi. Jo students ne objection fee (₹200 per question) bhari thi, unhe woh bhi refund ki jaayegi. Re-NEET ka apna alag fresh question paper, answer key aur objection window hoga.

STUDENTS AB KYA KAREIN — STEP BY STEP GUIDE

Yeh situation frustrating hai — isme koi doubt nahi. Lekin jo ho gaya usse control nahi kar sakte, jo aage karna hai use zaroor kar sakte hain.

1. Panic mat karein: Syllabus same hai, pattern same hai. Jo padha hai woh waste nahi gaya — yeh extra time aapke liye bonus preparation window hai.
2. Official updates sirf NTA se lein: neet.nta.nic.in aur nta.ac.in bookmark karein. WhatsApp forwards aur Telegram channels par circulate hone wali "re-exam date" news mostly fake hoti hai.
3. Mobile number active rakhein: NTA SMS alerts bhi bhejta hai. Registered mobile number band na karein.
4. 3 May ka paper analyze karein: Jo exam hua woh cancel hua, lekin us paper ke questions se aap apni weaknesses identify kar sakte hain. Woh questions abhi bhi practice material hain.
5. Mock tests aur previous year papers: Roz ek timed mock test ya topic-wise practice karein. Yeh gap time mein speed aur accuracy improve karne ka sabse effective tarika hai.
6. Mental health ignore mat karein: Do exam dene ka pressure genuine stress hai. Kisi trusted insaan se baat karein — parent, friend, ya counsellor. iCall (9152987821) par bhi help lain sakte hain.

COUNSELLING AUR ADMISSION PAR KYA ASAR HOGA

Iska seedha asar MBBS, BDS, AYUSH aur dusre medical courses ke admissions par padega.

MCC NEET UG Counselling 2026 ka tentative schedule mid-July 2026 se shuru hone wala tha — yeh ab delay hoga. Counselling tab tak shuru nahi ho sakti jab tak Re-NEET ka result na aa jaaye. New tentative timeline ke anusaar poora counselling cycle 4 se 6 hafte

peeche shift hone ki umeed hai.

Private college admissions aur state-level counselling rounds bhi is delay se affected honge. Students jinhone pehle se kisi private college ya abroad MBBS ke liye plan kiya tha, unhe bhi apni timelines accordingly adjust karni hogi.

NTA KO KHATAM KARO — KYA YEH MAANG POORI HOGI?

Exam cancel hone ke baad students aur medical associations ka gussa saaf dikha. Federation of All India Medical Association (FAIMA) ne Supreme Court mein petition daali hai jisme maang ki gayi hai ki NTA ko dissolve kiya jaaye aur ek independent committee NEET conduct kare.

Yeh pehli baar nahi hai yeh maang uthi hai — 2024 mein bhi NEET paper leak ke baad NTA ki credibility par sawaal uthe the. Lekin abhi tak NTA existing hai aur re-exam bhi NTA hi conduct karega.

Supreme Court mein yeh case active hai. CBI jaanch chal rahi hai. Aage kya reforms aate hain — stricter paper printing protocols, exam centre security, digital delivery systems — yeh dekhna hoga. Lekin yeh political aur legal process hai, aur students ko is par dhyan dene ki bajay apni preparation par focus karna chahiye.

Tamil Nadu ke Chief Minister Vijay ne bhi is maamle mein NEET system ko challenge kiya hai aur Class 12 marks ke aadhar par medical admissions ki maang dohrai hai — yeh debate alag level par bhi chal rahi hai.

CONCLUSION

NEET UG 2026 paper leak ek serious systemic failure hai — 22 lakh se zyada students ki mehnat, paisa ki investment, aur ek saal ki zindagi ek organized cheating network ki wajah se dobara se shuru hoti nazar aa rahi hai. Yeh gussa bilkul jayaz hai.

Lekin gusse mein jo andar ki cheez hai — woh determination hai ki doctor banna hai. Woh determination kisi paper leak se nahi

chooti.

Jo ho gaya woh undo nahi ho sakta. Lekin jo aage hai — re-exam, woh syllabus jo same hai, woh extra 40–45 din jo ab mil rahe hain — woh aapke haath mein hai. Jo students ne yeh time smartly use kiya, woh last attempt se better karenge.

Official updates ke liye sirf neet.nta.nic.in aur nta.ac.in follow karein. Rumors, fake dates aur social media par aane wale "leaked" materials se door rahein — ek baar yeh galti ho chuki hai, dobara mat hone dein.
